 - Taiwan
 - India
 - Brazil

American Association of Colleges of Pharmacy PHARMCAS (Pharmacy College Application Service)

Number of Participating Schools

Applicants

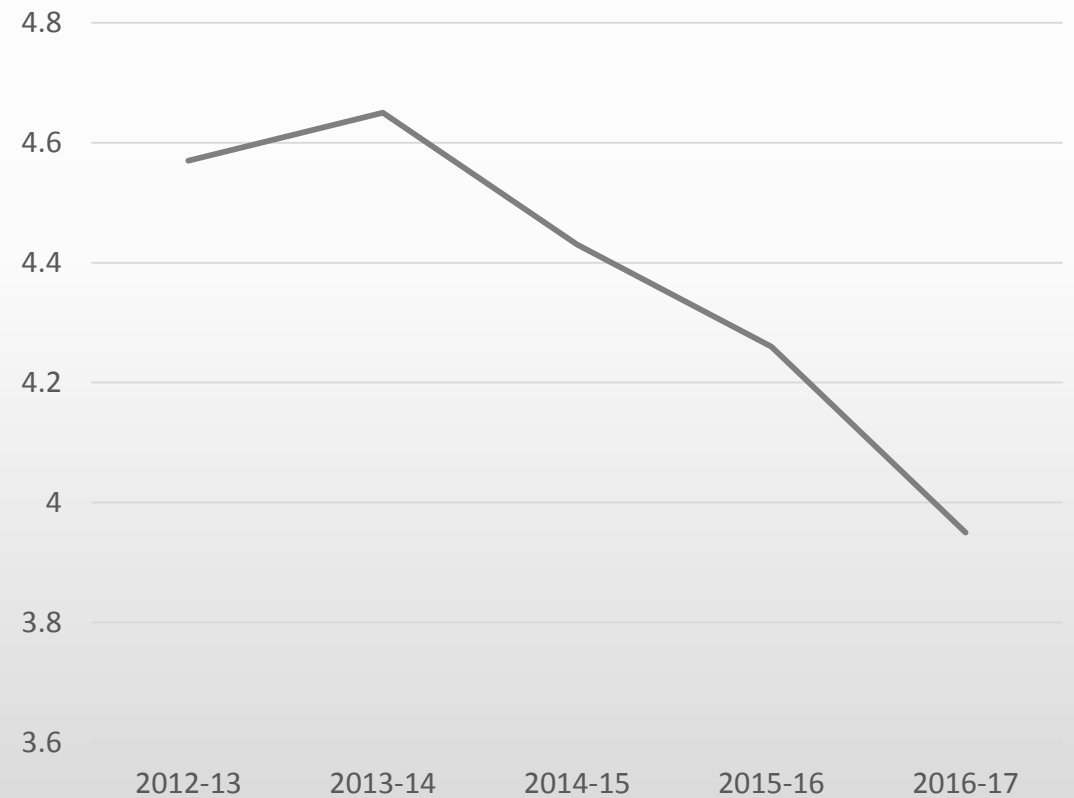

American Association of Colleges of Pharmacy PHARMCAS (Pharmacy College Application Service)

PharmD Applications

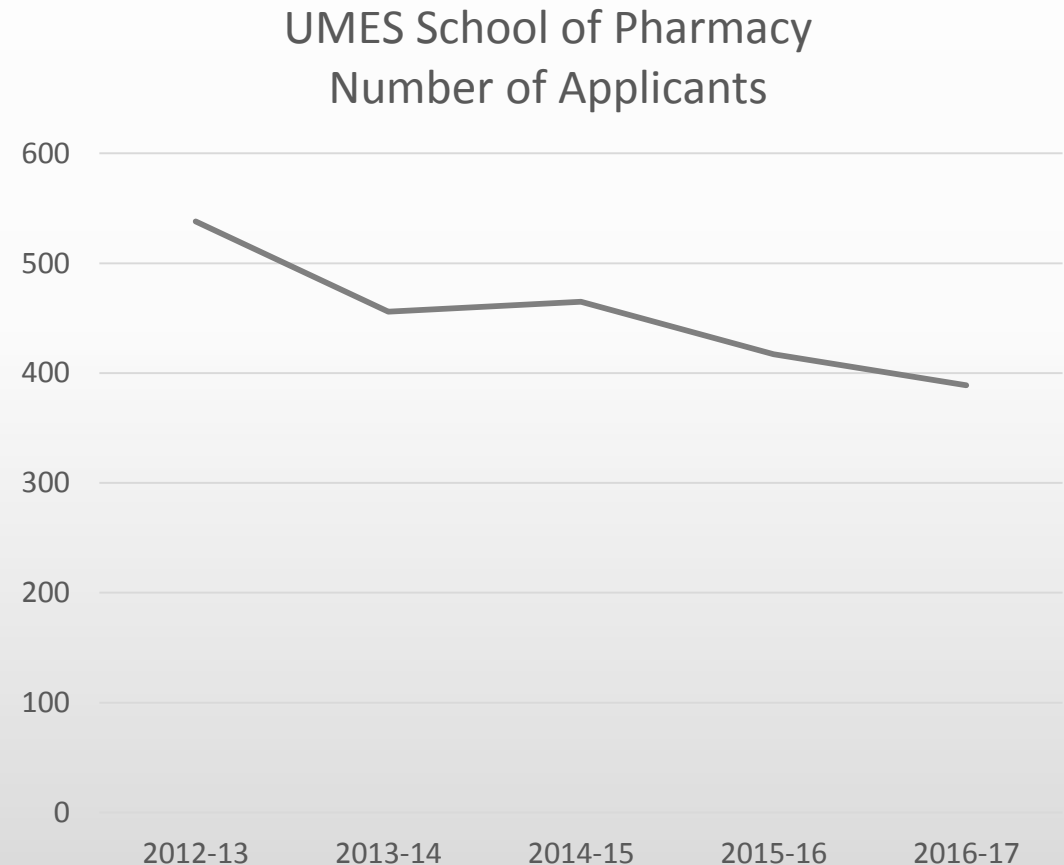

Application to Applicant Ratio

Applicants vs. Seats Available in PharmCAS

- 2016-2017 PharmCAS applicant pool for PharmD = 16,525
- 2016-2017 PharmCAS PharmD estimated* seats available = 12,927 (↑ of 500 seats over 2015-2016)
- 1.27 applicants per seat
- UMES – decrease in the number of applicants; 56% of students offered acceptance had at least one additional offer

*The number of seats is estimated based on information reported by schools on PharmCAS school pages before the application cycle starts.
