

DIVISION of ACADEMIC AFFAIRS
Office of the Provost and Vice President

Periodic Program Review (PPR)
Administrative Extension Request

The Office of the Provost will submit the formal request for PPR extension to the University of Maryland System (USM). Approvals are considered on a case-by-case basis, with regard to the date of the previous PPR. If the program is within the allowable period of the previous submission of a PPR, the USM will consider extending the submission to the following year's deadline.

Program & Degree / Certificate Code:

Chair/PPR Representative:

Current PPR submission date:

Previous PPR submission date:

Reason for administrative extension request:

If the USM grants an extension for any program(s), UMES will update and resubmit the PPR Master Schedule with the changed dates and a brief statement in the final column indicating the rationale for the change in submission date.
