

**1890 Land Grant Universities
Association of 1890 Research Directors, Inc.**

Morrison-Evans Outstanding Scientist Award

The Morrison-Evans Outstanding Scientist Award is named in honor of Dr. Richard D. Morrison, President Emeritus, Alabama A&M University and Congressman Frank E. Evans of Colorado. Dr. Morrison and Mr. Evans provided leadership in seeking research and extension funds for the 1890 Institutions under the Second Morrill Act of 1890. The award is the highest honor given to an 1890 scientist by the Association of Research Directors, Inc. and carries a cash sum of \$1,000.

Selection Criteria

1. He/She must have participated or be currently participating in agriculturally-related research at one of the ARD member Institutions.
2. He/She must hold an academic or professional appointment at one of the ARD member Institutions.
3. He/She must have demonstrated national leadership in a field of agriculturally-related research to include participation in the development of research goals, policies, and plans.
4. He/She must have used his or her experience in research to train undergraduate and/or graduate students at one of the ARD member Institutions.
5. He/She must be an active member of state and national professional societies associated with his or her field of research.
6. He/She must have published extensively in refereed journals and other scholarly publications.
7. He/She must have secured extramural funding in support of his or her research at an ARD member Institution. (Note: Evans-Allen Funds should not be included).
8. He/She must have demonstrated public service involvement and selected activities of actual and potential implications of research to the public need.

Nomination Format **(Please limit to 6 typed pages)**

Institution: _____

Name: _____
