UMES Faculty,

The Faculty Assembly is looking for volunteers to serve on the standing committees for Faculty Affairs and the Committee on Academic Standards, Curriculum, Programs and services, and an ad hoc committee that will examine the Faculty Assembly constitution for updates and recommended changes.

This is your chance to learn how the Faculty Assembly operates and make changes that will make it more efficient and better structured. If you are interested please contact [Joseph Bree](#), Faculty Assembly Parliamentarian or [Dr. Lombuso S. Khoza](#), Faculty Assembly Chair.

Thank you for your time and service to the University of Maryland Eastern Shore.
