

**UNIVERSITY OF MARYLAND EASTERN SHORE
CAREER & PROFESSIONAL DEVELOPMENT CENTER
IS LOOKING FOR**

2019-2020

**STUDENT CAREER
AMBASSADORS**

The Career & Professional Development Center Ambassadors is a group of University of Maryland Eastern Shore student trained to assist with various aspects of the University Career & Professional Development Center. Students must be in good academic standing, disciplined, have strong communication skills, both oral and written. Must be interested in developing leadership, public speaking and event coordination experience. Interpersonal skills are also a requirement.

As a result of students being a part of this program you will:

- Acquire experience that can be utilized as a powerful resume builder.
- Have direct employer contact and employment opportunities.
- Ability to further enhance networking opportunities while building professional relationships with employers.
- Enhance your communication, teambuilding and networking skills
- Community service hours are also given to students who want to volunteer time to the Career & Professional Development Center.

If you are interested in being a Career Ambassador and would like further information, please visit the office located in the Student Services Center, Suite 2158.
