RE: Salisbury University & University of Maryland Eastern Shore Education Job Fair

\*\*\*\*\*

Salisbury University (SU) and University of Maryland Eastern Shore (UMES) Offices of Career Services cordially invites you to participate in the SU & UMES Education Job Fair. The fair will be held at Salisbury University, **Thursday, March 28, 2024 between 11:00 a.m. and 2:00 p.m.** in the **Guerrieri Student Union Wicomico Room**. All graduating seniors from UMES who would like to schedule an interview, must contact Ms. Lindsay Ward, Program Management Specialists ([lxward@salisbury.edu](mailto:lxward@salisbury.edu)) at (410) 542-6075 for assistance.

Even if you are not a graduating senior you are encouraged to attend this event. This is a time for you as an education major to network and build relationships with the various school districts. As future leaders in the world economy, we in education cannot settle for anything less than well-trained, creative and skilled minds. Therefore, this fair will provide an excellent opportunity for students and graduates who are seeking teaching opportunities. There will be representatives from various school districts seeking qualified candidates for teaching positions. When attending the Education Job Fair, typically you can move freely among the tables and speak to the representatives that interest you. While some Education Fairs include a formal interviewing process, most create an environment where you can talk about your qualifications more informally. School districts may use this event as an initial screening process, and then contact preferred candidates at a later time. They may also collect resumes for possible future openings as well, so it's important to present yourself at your best. Make sure you are dressed professionally and also bring copies of your resume.

If you have any questions or need further information regarding this event, **please contact** the Career & Professional Development Center at the University of Maryland Eastern Shore at (410) 651-6447. **All education majors are encouraged to attend.** We look forward to seeing you at the University of Maryland Eastern Shore Education & Salisbury University & Education Job Fair.
