

The Goddard African American Advisory Committee and Goddard Equal Opportunity Programs Office invite employees to a...

Virtual Fireside Chat With Engineer and NASA Astronaut Stephanie Wilson

**African American
Advisory Committee**
NASA Goddard Space Flight Center

AAAG

**Thursday, February 18, 2021
Noon to 1 p.m. ET
Click [here](#) to participate.**

Stephanie Wilson is an engineer and NASA astronaut who flew aboard three space shuttle missions. She is the second African-American woman to travel into space, following Dr. Mae Jemison. Wilson is currently among 18 astronauts training for the Artemis program, which will send the first woman and next man to the Moon.

**In observance of Black History Month
and in alignment with the NASA Unity Campaign**
