MEMORANDUM FOR Advancing Minorities Interest in Engineering (AMIE)
Summer Interns

SUBJECT: Announcement of the 2017 Employment of Advancing Minorities Interest In Engineering (AMIE) Student Program with the US Army Corps of Engineers, Far East District

1. The purpose of this memorandum is to officially inform the Historically Black Colleges and Universities (HBCU) community that our 2017 summer internship will be announced on <https://www.usajobs.gov/> from January 20, 2017 thru February 28, 2017. USACE would like encourage HBCU Engineering students to apply for a chance to participate in the 2017 US Army Corps of Engineers (USACE), Far East District (FED) – Korea AMIE Summer Internship. The announcement number is FEFK178289911892328P.
2. The established goals for this internship opportunity is to prepare minority engineering students for responsible positions in an engineering environment, enlighten minority engineering students about the USACE vision and mission, unique capabilities and opportunities, and to assist Historically Black Colleges and Universities in educating minority engineering students and to produce a world class, diverse pool of talent throughout the USACE organization.
3. FED - Korea is committed to the AMIE program. We are encouraging HBCU students to apply for participation and we are looking forward to receiving their applications. This summer program appointment dates are from 30 May 2017 – 5 August 2017.
4. If you have any questions, comments, and or concerns, please feel free to contact me at mia.y.dukuly@usace.army.mil.
