ACCENTURE RISE HBCU CONFERENCE

Accenture is excited to host our inaugural HBCU Conference, providing students the opportunity to learn tangible career skills, develop industry acumen, and build lasting relationships with Accenture employees.

Join us for this immersive three-day experience that focuses on creativity in innovation to change the way the world works and lives. You will learn how to best utilize your strengths, build skills like design thinking and storytelling, gain interview advice, and learn more about our culture and the work we do at Accenture. Additionally, we are offering a **free** optional Accenture AWS certificate training all day on August 1, 2020 for participating students.
