

# Boston University National Science Foundation Research Traineeship Program

*Understanding the Brain:  
Neurophotonic*

A university-wide community of biology, neuroscience, biophysics, psychological & brain sciences, and engineering doctoral students with focused professional development and graduate training in neurophotonic.

## *Trainees will engage in...*

- immersive, hands-on training experiences and lab rotations with leading neurophotonic researchers
- interdisciplinary coursework and dissertation
- professional development mentoring
- annual symposium
- summer school workshops, national conferences, peer-led seminars, journal club, and much more!

### **INTERESTED TRAINEES:**

**NEW DOCTORAL APPLICANTS:** indicate interest in NRT-Neurophotonic in the Personal Statement portion of your BU doctoral graduate application

**ENROLLED BU DOCTORAL STUDENTS:** contact Helen Fawcett at [nrt@bu.edu](mailto:nrt@bu.edu)

**BOSTON  
UNIVERSITY**
