

Exploring Electrical and Computer Engineering Graduate School Virtual Workshop: **October 9, 2020**

Program welcome and kick-off events occur virtually
Thursday evening (EDT), October 8, 2020

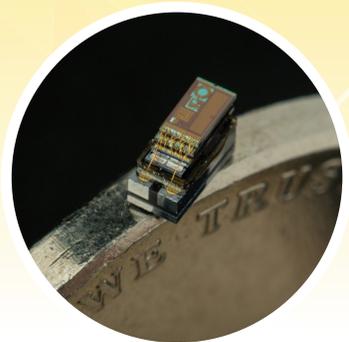

Prepare for ECE Graduate School with Michigan ECE!

- Learn how a graduate degree can help you and your career goals
- Gain insight into developing and preparing application materials
- Network with current Michigan ECE faculty and graduate students
- Tour (virtually) the Michigan campus, surrounding Ann Arbor area, and EECS Building
- And more!

Domestic applicants are welcome to apply and be a part of this event! Please visit our website and submit an application!

All components and activities affiliated with the workshop will take place virtually. Please visit our website for further details regarding the schedule.

This workshop is intended for domestic applicants. Although international applicants can be considered on a case-by-case basis, due to our program's grant requirements, only in extremely rare cases could an exception be made.
