

NAVAL SURFACE WARFARE CENTER CARDEROCK DIVISION

We are seeking Scientists & Engineers to tackle challenges with maritime systems. Do you have what it takes to work on a team of world renown scientists and engineers?

We are the US Navy's primary research and engineering laboratory for design, hydrodynamics, structures, survivability, signatures, materials, and environmental quality of ships, submarines, small craft, and unmanned surface & underwater vehicles. Our engineers and scientists are world renown in their fields. We have state-of-the-art experimental, testing and engineering capabilities.

Vision: Support the Fleet with Affordable Technical Solutions for the Warfighter

NSWCCD is looking for you!

The Naval Surface Warfare Center, Carderock Division (NSWCCD) is seeking individuals with undergraduate or graduate degrees in: Naval Architecture & Marine/Ocean Engineering; Mechanical, Aerospace, Materials, Electrical, Computer, Environmental, Chemical and Civil Engineering; Computer Science; Mathematics; Operations Research; Chemistry and Physics; IT; Contracting, Accounting, Financial Management, Business. Recent or future graduates.

Qualifying Requirements

- Must be a US citizen
- Must be enrolled as a degree-seeking student pursuing a undergraduate or graduate degree; or have recently graduated with an undergraduate or graduate degree
- For all engineering majors, must be enrolled at or graduated from a university accredited by the Accreditation Board for Engineering and Technology (ABET)
- Must be in a good academic standing
