

Mentors *Wanted*

The National Nuclear Security Administration Minority Serving Institutions Internship Program (NNSA-MSIIP) provides funding for undergraduate and graduate students enrolled at Minority Serving Institutions. NNSA-MSIIP is open to all academic backgrounds.

NNSA-MSIIP offers summer or year-long internship opportunities with the NNSA, national laboratories, and site offices. Internships involve projects focused on degrees in critical science, engineering, technology, mathematics, and other disciplines that complement current and future missions of the NNSA.

Why should you be a mentor?

Engage

Connect participants to the NNSA.

Excite

Motivate participants to problem solve, explore, and design solutions for assigned projects.

Inspire

Offer your experience and knowledge to the future leaders of the NNSA.

Please join us for our Mentor/POC Informational Sessions.
