April, 2022

Good afternoon:

Attached is a 2022 application for the Mature Woman Grant offered by the American Association of University Women (AAUW) - Easton Branch. I would appreciate it if you could make this information of this available to your students. This grant is to help women over the age of 25 who are currently enrolled, or who will be enrolled by September, 2022 in an undergraduate, graduate or certificate program and who are residents of Caroline, Dorchester, Talbot, Queen Anne's or Kent Counties.

The deadline for applications is June 6, 2022. In past years, we have given grants in amounts of $500 to $1,000. These monies can help with the many extra costs that women have in returning to college such as, gasoline, books, childcare, etc.

Thank you for your assistance in making this grant opportunity known to your students.

Sincerely,
Patricia Crane, Chair, AAUW Mature Woman Grant committee
