2024-2025 Unsubsidized Loan Only Request Form

If you have a situation where your parent(s) refuses to provide their information on the Free Application for Federal Student Aid (FAFSA), please complete and submit this form for a decision to apply for an unsubsidized loan only. Please note that completing the FAFSA and submitting parental information does **NOT** obligate the parent to provide funds towards the student's higher education.

Dependent students are required by law to provide parental information and signature(s) to be considered for financial aid. When parents refuse to provide their information on the FAFSA, there is an exception that allows the student to apply for an Unsubsidized Loan ONLY, at the discretion of a financial aid administrator. If your parent decides that they will provide information, please login to the FAFSA, and amend your responses to invite the parent(s) to contribute to your FAFSA. This form will no longer be needed.

This form does not allow a student to apply for financial aid as an independent student. Students must understand that they are requesting only an unsubsidized loan subject to the limits for dependent students. No other federal or state aid will be available. If you have questions, please contact this Office at financialaid@umes.edu so your financial aid awards will not be delayed.
