Candidate for Graduation Loan Adjustment Form Addendum

This addendum is to serve as recognition by the student that by claiming 100% federal loan eligibility in one semester, there will be no federal loan eligibility remaining in any subsequent semesters attended at the University of Maryland Eastern Shore within the same academic aid year.

The Office of Student Financial Aid (OSFA), at the request of the student, will adjust the cost of attendance to reflect a single term and adjust the award package of the student to reflect 100% federal financial loan eligibility in the **Fall 2024** term up to the single semester COA. Please note that this provision is extended with the expectation that the student will graduate at the end of the **Fall 2024** term. In addition to submitting a signed Candidate for Graduation Loan Adjustment Form, the student is required to provide the OSFA with a copy an approved candidacy for Fall graduation from the Office of the Registrar.

By signing this document, the student agrees to receive all **federal loans up to the COA** for which the student is eligible in the **Fall 2024** semester. The student will acknowledge that federal loans for the **Spring 2025** semester will be forfeited. As a result, if for any reason, the student does not fulfill their **Fall 2024** graduation requirements, the student acknowledges that they will **no longer** have federal loan eligibility at the University of Maryland Eastern Shore (UMES) for the remainder of the 2024-2025 academic aid year.

This form will not be routed for processing without a copy of your approved graduation application from the Office of the Registrar.
