The Immortal Life of Henrietta Lacks

Doctors took her cells without asking. Those cells never died. They launched a medical revolution and a multimillion-dollar industry. More than twenty years later, her children found out. Their lives would never be the same.

Phi Kappa Phi Literacy Grant

Just One Book

To support the UMES "Just One Book" program, UMES Chapter 312 of the Honor Society of Phi Kappa Phi received a literacy grant for 2014-2015. The funds from the grant will be used for 2 purposes: (1) to provide free copies of the book to students who are financially challenged but who want to read the book to expand their literacy (Fall 2014); (2) to provide prizes for an essay contest on the book (Spring 2015). For more information, contact one of the PKP officers managing the grant: the President-Elect, Dr. Terry Smith, or the Student Vice Presidents, Liz Ranger and Jon'mel Davenport.
