Identify what it takes to be a change agent through the development of core competencies. Evaluate, assess, modify, and rethink programming and practices currently in existence for promotion, evolution, and/or elimination. Create and develop an inclusive leadership certificate for students (possible transcript addition). Develop and provide transformational training for the campus community to be global citizens and change agents (students and employees). Develop JEDI education, training modules (in-person, online), and an online resource library of JEDI-related topics for students, staff, and faculty. Identify and provide opportunities for community members to connect with external, corporate, community organizations and government offices to enhance participation in initiatives that align with and support JEDI goals and principles. Identify and expand pathways for students to engage in learning opportunities with international participation	Locate, contact, and reach out to campus partners who can be champions of JEDI who have interest (w/ accountability) to enact those strategies. From those contacts, develop a workgroup, committee, and/or team of champions. Together, we will lead and partner towards strategy completion, locating/identifying measures/metrics, create targets, identify benchmarks, and finalize mid-term and long- term goals.	Letter of public support from the cabinet regarding our commitment to justice, equity, diversity, and inclusion. In that communication, identify those appropriate team members and communicating expectations for partnership, collaboration, and assistance. Funding will be necessary to properly support the development of initiatives (some of them). Funding for 2-3 FTE's in the JEDI Office to maintain consistency and actualize long term goals under Priority 5.
