

All 1st year DPT students attended the Annual Maryland APTA Student Conclave at Carroll Community College on November 17, 2007

The Student Conclave was held concurrently with APTA of Maryland's Fall Meeting. It provided the students with an opportunity to mingle with PTs and PTAs and attend vendor exhibits to learn about employment opportunities, new products, and services. This year's student Conclave featured a Town Hall meeting where students had the opportunity to pose questions to a panel of experts regarding the profession of physical therapy practice and education. In addition to the Town Hall, reports from the 2007 House of Delegates, PTA Caucus, and the National Student Conclave were presented. Elections for the chapter's Student Delegate and Alternate Delegate were held.

We congratulate Dipal Patel, 1st year UMES DPT student, on being elected Student Delegate.
