

# Charles R. Drew Student Health Center

## Health and Immunization Form Checklist

- Your health records are considered complete when you have submitted **All 4** items below to the Student Health Center.
- For incoming students, the deadlines are Aug 1 (Fall semester) and Jan 1 (Spring semester)

**\*\*\* For students in campus housing, completed forms must be received prior to move in. Students with incomplete or missing forms cannot check into housing. Forms must be sent to Student Health; Residence Life staff cannot accept or process forms at check-in.**

**1. Health History Form** (this is page 1 of the health form. It does not need a physician's signature, so you can complete this yourself. Be sure to answer all the questions)

**2. Proof of 2 doses of the MMR vaccine** (or the results of a blood test showing immunity). *Need help locating them? Try these resources:*

- myIRmobile.com (allows you to look up your immunization records online)
- physician or health provider record
- patient portal
- high school records
- military record
- certificate of vaccination
- results of a blood test that shows immunity (your provider can order this)

**3. TB (tuberculosis test) done within the previous 12 months** (may be either

- PPD skin test which shows the date placed, the date read and the results **or**
- \*TB blood test (this is called a Quantiferon test) with a copy of the actual lab report attached **\*International/foreign-born/ foreign travel students should use this option**
- *Testing may be done through your provider or urgent care facility*

**4. Meningitis vaccine given after age 16 if living on campus** (if no vaccine, then a signed meningitis waiver is acceptable. Waivers are found on page 4 of the health form)

- Forms are located at [umes.edu/studenthealth](http://umes.edu/studenthealth)
- Forms may be submitted by
  - email to [studenthealth@umes.edu](mailto:studenthealth@umes.edu)
  - fax (410.651.6702)
- Questions? Contact [studenthealth@umes.edu](mailto:studenthealth@umes.edu)
